Message

Thank you, Lord Jesus. No one can ever take your glory. Father, we are here today to worship you. Thank you, our Father. *Worship.* Lord, we are grateful. You have made a way for us – that is why we are here this morning. Put your beautiful hands together for Jesus! Shake yourself. Ask the person beside you – Are you happy? If you see anybody beside you that is not smiling – ask the person what is happening?

1. Genesis 12: 2. Nobody is permitted to be small here. Whatever you have seen today cannot be compared with what God is going to still do through you. Whoever among you that is in Christ are Abraham's seeds – meaning you are heir with Christ. Say – I will be great.
2. I will bless you. When God blesses you - you are blessed.
3. Your name will be great. You will be given a name that opens doors. God can make your name so great to that extent that your name will open doors. There are some family names that open doors. If you are a child of God here today – you know you are born again – this promise is for you. In this house of grace, nobody is permitted to be small. Can I announce to you? Your set time for greatness is now! Your season of greatness has come!
4. A great life that touches others. I want you to desire a life that touches lives. Some of you here – you will feed nations! If you believe this – let your Amen be higher than others!
5. I will bless those who blesses you. It is a great thing to bless the one who God had blessed – because in blessing him; you become more blessed. It will get to a time that God will take you to the level that people will be begging to bless you. This is because they know that once they bless you; doors will be opening up for them. Those who decide to bless you, wherever they are; they will be blessed!
6. Very dangerous! Everybody says: Dangerous! God will become your defender! It is a dangerous thing to fight the one who God had blessed. Don't be a casualty. Don't join

others to try to put down whom God has blessed. Whenever they are talking; just keep quiet. Find out from Laban on Jacob. Laban wanted to try it but he was warned. God will personally defend. He said: I will curse those who curse you. From this moment onward; you will not struggle to defend yourself. God will go ahead of you to defend you in the room where you can't even enter to defend yourself.

7. I said it yesterday that God is raising up global stars. God wants to make you global influence. God wants to make your influence to be beyond the shores of Ilorin and Nigeria. *Prayers – Prophetic declarations.*

Now, listen to this – Galatians 3: 12. These blessings are tied to one condition – to be in Christ – to be born again in Christ Jesus!

Listen to this – Don't run away from challenges and sow an uncommon seed for your future!

A seed will speak for you in your generation!
